Rack Bund | 220ltr Sump | Bunding for Pallet Racking

Made from broadband chemical resistant polyethylene, this pallet rack bund is simple and easy to use. Add it to the beams of standard pallet racking for a fully bunded solution that will prevent leaks from damaging other stock. This model has a 220ltr sump.

Product Specifications

External Dimensions (WxLxH)	1310 x 1310 x 245mm
Unit Weight	Approx. 17kg
Sump Capacity	220ltr
UDL	1250kg
UK Pack Size	10
Export Pack Size	10

Product Features and Benefits

- Seamless integration with most racking (please measure prior to order)
- Provides protection from contamination of one stock to another on a different level
- Broad range chemical compatibility
- RBGRID can be added to this for a grid inside the bund to replace a standard pallet
- UV stabilised
- Backed by our 3 year guarantee
- DIBt approved
